FUNCTIONS

TEA	FUNCTIONS	DETAILS
LOT 35 IMPERIAL BREAKFAST	Antioxidants and Heart	A rich blend that may help restore the body's natural ability to combat oxidization and support cardiovascular health.
LOT 35 DECAF ENGLISH BREAKFAST	Calming and Hydrating	Our chemical free decaf captures the natural goodness of tea without the caffeine.
LOT 35 CREAMY EARL GREY	Antioxidants and Heart	Seasonal high-grown black teas have high levels of antioxidants and contain flavonoids, beneficial to heart health.
LOT 35 EARL GREY – ORGANIC	A Great Detoxifier	Spring harvest black teas have high levels of antioxidants and polyphenols, known to combat oxidation in the body.
LOT 35 1907 ORANGE PEKOE	Detox and Purify	Seasonal high-grown black teas offer impressive levels of antioxidants that promote body well-being.
LOT 35 LIZA HILL DARJEELING – ORGANIC	Antioxidants and Lower LDL	Grown high up in the foothills of the Himalayas where the altitude encourages higher than normal levels of antioxidants. Some research indicates black tea helps lower the 'bad' cholesterol LDL.
LOT 35 SOMETHING SWEET	Gut Health and Weight Loss	The primary ingredient is aged Pu-erh black tea. Pu-erh is commonly consumed in China after meals to breakdown the fats from the cooking oils, leading to a healthier gut and the potential for weight loss.
LOT 35 GRAND BAZAAR SPICE	Antioxidants and Blood Health	High altitude black tea from the Nilgiri Hills in South India is loaded with antioxidants, which have all sorts of beneficial effects on the body. The other major ingredient, cinnamon, may aid in reducing insulin resistance.
LOT 35 MASALA CHAI – ORGANIC	Achieve Clarity	Rich antioxidants in the black tea base, along with fortifying ayurvedic herbs and spices to combat oxidation and brighten the mind.
LOT 35 JASMINE GOLD DRAGON – ORGANIC	Antioxidants and Happiness	Jasmine clears the mind and boosts the spirit. High altitude green tea is higher in antioxidants.
LOT 35 KYUSHU JAPAN SENCHA	Antioxidants and Memory	A green tea high in antioxidants and epigallocatechin gallate, both recognized as having a positive effect on general health and providing a memory boost.
LOT 35 REVITALIZE	Detoxify and Energize	A powerhouse of antioxidants. With the white tea matcha the whole leaf is consumed to deliver a detoxifying exhilarating boost.
LOT 35 LONG ISLAND STRAWBERRY	Antioxidants and Brain Function	Green tea is rich in polyphenols which have health benefits, such as reducing inflammation and helping to fight cancer. Green tea also contains amino acid L-theanine which combined with caffeine can improve brain function.
LOT 35 OREGON MINT – ORGANIC	Digestion and Recharge	High levels of menthol promote clear thinking and soothe digestion.
LOT 35 EGYPTIAN CAMOMILE – ORGANIC	Calming and Restorative	Camomile helps prepare the body for deep sleep and may ease the digestive tract and inflammation issues.
LOT 35 BELLA COOLA PUNCH – ORGANIC	Stress Buster and Goodness	An easy and quick way to stock up on daily improvement. Caffeine free and full of fruit and herbs.
LOT 35 FLORA'S BERRY GARDEN	Antioxidants and Hydrating	Vitamin C and antioxidants for bright, all-over refreshment. Naturally caffeine-free for sensitive diets.

FUNCTIONS

TEA	FUNCTIONS	DETAILS
LOT 35 WATERFRONT	Antioxidants and Nutrients	Lift your spirit with a rooibos blend that delivers iron, potassium, calcium, Vitamin C and other restorative nutrients. Powerful antioxidants.
LOT 35 JOIE DE PROVENCE – ORGANIC	Antioxidants and Heart Health	Besides being a source of antioxidants, rooibos tea may benefit heart health by positively affecting blood pressure. It may also lower “bad” LDL cholesterol and raise “good” HDL cholesterol.
LOT 35 MARKET FRESH	General Well-Being	A cacophony of dried fruits and vegetables with a dash of natural flavours. Terrific Vitamin support.
LOT 35 COLD 'N FLU – ORGANIC	Detoxifying	A soothing combination of antioxidants and flavonoids along with anti-microbial wellness properties to give an invigorating boost to the immune system.
LOT 35 MOJO BOOST	Energy	A craft-blended mojo booster. Yerba mate offers a boost of mateine, a caffeine-like compound that stimulates the body.
LOT 35 SKIN & BEAUTY	Hydrating and Detox	A detoxifying and hydrating blend that flows deep into your core to fight oxidative stressors that may prematurely age skin.
LOT 35 HUSH	Calming and Sleep	Clear your mind and relax your body. Therapeutic blend of ayurvedic herbs, flowers and roots for restful nights.
LOT 35 JET LAG	Recharge	Reset your internal rhythm. A time traveller’s elixir of rooibos, herbs and spices, including bee-pollen – known for boosting immunity and easing inflammation.
LOT 35 GODDESS OOLONG – ORGANIC	Weight and Slimming	In addition to a positive effect on metabolism, Oolong tea contains vitamins, minerals, amino acids, and beneficial tea polyphenol.
LOT 35 ONTARIO ICEWINE	Antioxidant Polyphenols	Polyphenols are plant-based molecules that act as antioxidants inside the body. Antioxidants protect the cells from damage by compounds called free radicals.

RESERVE:

LOT 35 MADAME BUTTERFLY – RESERVE	Antioxidant Polyphenols	Madame Butterfly is grown at high altitude and only from Spring tea buds which are especially high in polyphenols. Polyphenols are plant-based molecules that act as antioxidants inside the body. Antioxidants protect the cells from damage by compounds called free radicals.
LOT 35 SENCHA SAEMIDORI 1ST FLUSH – RESERVE	Antioxidants and Brain Function	Only in April, when the southern Japanese tea bushes grow thick and luxuriant is Saemidori produced. Intense flavour and heavy in antioxidants. Green tea also contains amino acid L-theanine which combined with the caffeine can improve brain function.
LOT 35 GOLDEN YUNNAN HILLS – RESERVE	Antioxidants and Blood Health	The high altitude black tea from the foothills of the Tibetan Plateau contains antioxidants which have all sorts of beneficial effects on the body.
LOT 35 DREAM DOVES SILVER NEEDLE – RESERVE	Antioxidant Polyphenols	This tea is only available for 3 or 4 weeks per year. Long Spring tea buds are rich in polyphenols that act as antioxidants inside the body. Antioxidants protect the cells from damage by compounds called free radicals.

LOT 35 HOT TEA PREPARATION FOR PYRAMID TEA BAGS AND WHOLE LEAF LOOSE TEA

HOT TEA BLACK & CHAI TEA

1 SERVING

(7–10 oz/200–285 ml STEEPING VESSEL –
TEAPOT, CUP, TEA PRESS)

Step 1:

1 tea bag (*containing loose tea*).
or: 1 heaping tsp loose tea placed in TeaBrew Filter (Size #3).
or: 1 heaping tsp loose tea.

Step 2: Put into small teapot, cup or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Add sugar or milk to taste.

3 SERVINGS

(20–24 oz/590–710 ml STEEPING VESSEL –
TEAPOT OR TEA PRESS)

Step 1:

3 Tea bags (*containing loose tea*).
or: 3 heaping tsp loose tea placed in TeaBrew Filter (Size #4).
or: 3 heaping tsp loose tea.

Step 2: Put into teapot or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Add sugar or milk to taste.

STEEPING TIME

Mild: 2–3 minutes

Medium: 4–5 minutes

Strong: 6–7 minutes

WE RECOMMEND 4–5 MINUTES

NOTES:

- Over-brewing may make tea bitter (this happens with high quality tea).
- Interestingly the longer you brew tea the more antioxidants are released.
- Black teas may turn cloudy if left to sit and cool or iced. This is normal, and a sign of high quality tea.

HOT TEA GREEN TEA

1 SERVING

(7–10 oz/200–285 ml STEEPING VESSEL –
TEAPOT, CUP, TEA PRESS)

Step 1:

1 tea bag (*containing loose tea*).
or: 1 heaping tsp loose tea placed in TeaBrew Filter (Size #3).
or: 1 heaping tsp loose tea.

Step 2: Put into small teapot, cup or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Sugar or milk NOT recommended.

3 SERVINGS

(20–24 oz/590–710 ml STEEPING VESSEL –
TEAPOT OR TEA PRESS)

Step 1:

3 Tea bags (*containing loose tea*).
or: 3 heaping tsp loose tea placed in TeaBrew Filter (Size #4).
or: 3 heaping tsp loose tea.

Step 2: Put into teapot or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Sugar or milk NOT recommended.

STEEPING TIME

Mild: 1–2 minutes

Medium: 2–3 minutes

Strong: 3–5 minutes

WE RECOMMEND 2–3 MINUTES

NOTES:

- Over-brewing may make tea bitter (this happens with high quality tea).
- Interestingly the longer you brew tea the more antioxidants are released.
- For Food Service locations we recommend that boiling water be used. Often green tea is recommended to use water that is 190°C or less. If you do this, bring the water to a boil first and let it cool to 190°C. It is the food safe thing to do.

LOT 35 HOT TEA PREPARATION FOR PYRAMID TEA BAGS AND WHOLE LEAF LOOSE TEA

HOT TEA HERBAL & WELL-BEING TEA

1 SERVING

(7–10 oz/200–285 ml STEEPING VESSEL –
TEAPOT, CUP, TEA PRESS)

Step 1:

1 tea bag (*containing loose tea*).
or: 1 heaping tsp loose tea placed in TeaBrew Filter (Size #3).
or: 1 heaping tsp loose tea.

Step 2: Put into small teapot, cup or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Sugar or milk NOT recommended.

3 SERVINGS

(20–24 oz/590–710 ml STEEPING VESSEL –
TEAPOT OR TEA PRESS)

Step 1:

3 Tea bags (*containing loose tea*).
or: 3 heaping tsp loose tea placed in TeaBrew Filter (Size #4).
or: 3 heaping tsp loose tea.

Step 2: Put into teapot or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Sugar or milk NOT recommended.

STEEPING TIME

Mild: 2–3 minutes

Medium: 4–5 minutes

Strong: 6–7 minutes

WE RECOMMEND 2–3 MINUTES

NOTES:

- If brewing for Iced Tea purposes, brew the tea slightly stronger (the ice will dilute it).

HOT TEA HERB + FRUIT (HERBAL) TEA

1 SERVING

(7–10 oz/200–285 ml STEEPING VESSEL –
TEAPOT, CUP, TEA PRESS)

Step 1:

1 tea bag (*containing loose tea*).
or: 1 heaping tsp loose tea placed in TeaBrew Filter (Size #3).
or: 1 heaping tsp loose tea.

Step 2: Put into small teapot, cup or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Sugar/simple syrup to taste; milk NOT recommended.

3 SERVINGS

(20–24 oz/590–710 ml STEEPING VESSEL –
TEAPOT OR TEA PRESS)

Step 1:

3 Tea bags (*containing loose tea*).
or: 3 heaping tsp loose tea placed in TeaBrew Filter (Size #4).
or: 3 heaping tsp loose tea.

Step 2: Put into teapot or press.

Step 3: Pour freshly boiled filtered water over tea.

Step 4: Steep for desired time and remove tea or plunge.

Step 5: Sugar/simple syrup to taste; milk NOT recommended.

STEEPING TIME

Mild: 2–3 minutes

Medium: 4–5 minutes

Strong: 6–7 minutes

WE RECOMMEND 6–7 MINUTES

NOTES:

- All herb + fruit teas are naturally caffeine-free.
- If brewing for Iced Tea purposes, brew the tea very strong (the ice will dilute it).
- Herb + Fruit teas do not get bitter the longer you brew them – the get a more full flavour.
- A dash of sugar lifts the flavour profile even more.

- Over-brewing may make tea bitter (this happens with high quality tea).
- Interestingly the longer you brew tea the more antioxidants are released.
- For Food Service locations we recommend that boiling water be used. Often white tea is recommended to use water that is 190°C or less. If you do this, bring the water to a boil first and let it cool to 190°C. It is the food safe thing to do.
